### PRESIDENT "A VERY SICK MAN," ADMITS DR. GRAYSON TODAY

ANOTHER CONSULTATION WITH SPECIALISTS IS HELD AT WHITE HOUSE—MRS. WILSON'S FAMILY PHYSICIAN CALLED IN—MR. WILSON TODAY ENTERS UPON PERIOD OF ABSOLUTE REST.

Washington, Oct. 3.—The president's condition is unchanged, Dr. Grayson's bulletin issued at 12:15 p. m. said.

Supplementing his official bulletin, Dr. Grayson told the newspaper correspondents that "the president's mind was keen and alert and his physical condition fairly good. He also is taking some nourishment."

Dr. Grayson talked with Dr. P. N. Doremus, a noted neurologist at Philadelphia, over the long-distance telephone this morning and will keep in constant touch with him. Dr. Doremus will come to Washington from time to time as Dr. Grayson feels he needs him, while Rear Admiral Stitt, head of the naval hospital here, and Dr. Sterling Ruffin, Mrs. Wilson's family physician, will visit the president daily.

Consulting physicians have agreed with Dr. Grayson that the president is suffering from nervous exhaustion brought on by a strain of his work at the peace conference and his recent tour over the country. Dr. Grayson said the president desired to keep in constant touch with official affairs and that it was only with difficulty that his mind could be diverted.

Washington, Oct. 3.—There was no improvement in President Wilson's condition this morning. Rear Admiral Grayson, his physician, held another consultation with Rear Admiral Stitt of the naval medical school and Dr. Sterling Ruffin, Mrs. Wilson's family physician, who participated in yesterday's consultation with Dr. P. N. Doremus of Philadelphia.

The president slept some last night. With him is a trained nurse who is assisting Mrs. Wilson in caring for the patient. This president has no temperature, and his heart action is good. It was said at the White House.

President Wilson, said to be "a very sick man" by Dr. Grayson, today entered upon a period of absolute rest which it is said will be necessary for some time for his recovery from the attack of nervous exhaustion which a week ago interrupted his speaking tour.

This course of treatment was announced last night by Dr. Grayson, after consultation with Dr. P. N. Doremus, a Philadelphia neurologist, and two Washington physicians. In his bulletin Dr. Grayson reiterated his statement earlier in the day that the president's condition was "less favorable."

The physicians called in for consultation, it was said at the White House, agreed thoroughly with the diagnosis and the method of treatment outlined by Dr. Grayson.

Admirals Grayson and Stitt and Dr. Ruffin were in consultation for about two hours and this delayed the issuing of the usual 10 o'clock bulletin as to the president's condition.

It was said that the family had not been summoned, but that Mrs. Sayre and Mrs. McAdoo had expressed a desire to come.

Orders of the physicians that the president be kept absolutely quiet will be strictly enforced, Secretary Tumulty said today. No official business will be brought to the president's attention, and no one except members of the immediate family will be permitted to see him.

#### Cheered By Treaty News

The president was informed last night of the defeat in the senate of the Hall amendments to the peace treaty and of the ratification of the treaty by the French chamber of deputies, and the news apparently cheered him considerably, Mr. Tumulty said. It was announced officially that the turn in the president's condition would not interfere with the industrial conference next week. In the event that the president is not able on Monday to address a communication to the conference, Secretary Tumulty will notify them of the president's desires of the selection of a permanent chairman.

Cambridge, Mass., Oct. 3.—Francis B. Sayre, son in law of President Wilson and now a member of the faculty at Harvard Law School, left this afternoon for Washington. He was preceded a few hours earlier by Mrs. Sayre.

#### Wilson Daughters on Way

Washington, Oct. 3.—Mrs. William G. McAdoo and Mrs. Francis B. Sayre, daughters of the president, are on their way to Washington. Mrs. McAdoo will arrive this afternoon from New York. Mrs. Sayre is coming from Massachusetts. Miss Margaret Wilson, the third daughter, is now in Washington.

#### Says Condition Is Grave

### "INCOGNITO" OF KING ALBERT DOESN'T FOOL THE FOXY NEW YORKER

GOITHEM RECOGNIZES AND CHEERS "SOLDIER KING" WHEN HE TAKES PRIVATE RIDE

New York, Oct. 3.—The king and queen of the Belgians, with Prince Leopold, their apparent to the throne, east-side today the royal "incognito," which had surrounded them since their welcome at noon yesterday to the United States by Vice President Marshall, and board the yacht Noma in the Hudson river to make their "formal" entry into New York.

Driving rapidly by automobile from the Waldorf-Astoria where they spent the night in a regal suite to the foot of West 64th street, the royal visitors were received by Rudolph W. Wamaker, chairman of Mayor Hylan's committee on reception to distinguished guests, committee members and city officials.

The Noma immediately cast off and headed on a cruise about the harbor prior to the "official" landing at the Battery at 11:45 o'clock.

The program called for the arrival of the party at City Hall at 12:15 o'clock for a formal welcome to the state and city of New York by Governor Smith and Mayor Hylan and the conferring upon the king of honorary citizenship of the city.

The royal party was the first motor back to the Waldorf for a private luncheon. At 2:30 the king and queen were to be greeted by 50,000 school children in Central Park, and the king was to plant a tree. "There were no other formal plans for the day, but it was understood that the king, queen and prince planned to visit a theater tonight."

The "incognito" which the king and queen chose to assume upon their arrival yesterday was as novel to New Yorkers as was the actual fact of the presence in the city for the first time in history of a reigning king and queen. The "incognito" proved only partially effective so far as Albert was concerned. When he went for an automobile tour of the city, with Prince Leopold, the well-known face of the "soldier king" was frequently recognized and he was frequently cheered. He received an especially enthusiastic ovation at Columbia University where he was recognized by a throng of students leaving their classes.

Queen Elizabeth's incognito, aided by a heavy white veil, proved more effective. Accompanied by the Baroness de Chimel, her lady-in-waiting, and the Baroness de Cartier de Marchienne, wife of the Belgian ambassador to the United States, the queen visited several Fifth Avenue department stores and made small purchases from saleswomen who failed to realize the rank of their quiet customer.

In the evening the king and queen are expected to visit a Broadway moving picture show, but even theater visits displayed the "standing room only" sign and they were forced to abandon the plan.

The queen, with her lady-in-waiting and the Baroness de Cartier de Marchienne then visited a concert, accompanied by Baron de Courman Chimay. King Albert spent the evening chatting with friends.

The royal party will remain in New York until Saturday when they will start on a tour of the nation which will take in the Pacific coast and back again to Washington, where they will be received at the White House. The first scheduled stop is Boston, where the royal party is expected to arrive on Sunday morning.

The physicians called in for consultation, it was said at the White House, agreed thoroughly with the diagnosis and the method of treatment outlined by Dr. Grayson.

### POSTMASTER HOPSON ENTERS UPON DUTIES AT ARDMORE OFFICE

T. Lee Hopson has assumed charge of the Ardmore post office, succeeding John Carlock, and is rapidly familiarizing himself with his duties and routine activities.

Mr. Hopson states that he hopes to do a great deal for the people of Ardmore and Chester county in the way of establishing rural free delivery routes, and will use his utmost endeavors to this end.

Ardmore has long held the unique distinction of being the only city of its size in the United States without rural free delivery service, but three routes out of the city have already been approved and it is reported that at least one of them will be put into operation within a very short time.

Mr. Hopson is an old timer in the postal service, and has been advanced through every grade to the position he holds today, and the citizens of this city have the utmost confidence in him.

Mr. Hopson has been a citizen of this city for years, and worked out of here as a route agent, for a time on the Ardmore-Hope railway mail route, ever the Prince.

For the past several months, however, Mr. Hopson has been connected with one of the large oil companies of the Houston field, but has always held his residence in Ardmore, his family never having moved from here.

The proposed establishment of the rural routes out of Ardmore will be one of the largest things ever accomplished, and Mr. Hopson will have a good foundation, established by his immediate predecessor, John Carlock, upon which to base his efforts.

#### WILLIAM NEWMAN DIED AT HOME IN THIS CITY THURSDAY NIGHT; FUNERAL SUNDAY

William Newman, one of Ardmore's well known citizens, died at 10:05 o'clock last night at his home, 716 West Broadway, after an illness of only two weeks.

Funeral services will be held at 2 o'clock Sunday afternoon, with interment in the Jewish cemetery.

Mr. Newman has made his home in Ardmore 29 years, coming here from Texas. He has been in the general merchandise business, with his sons, two of whom, Sam and Ben, recently returned from overseas service. Mr. Newman was 75 years old.

He is survived by his widow, five children, Jake, Sam, Mrs. David Straumick, Gabe and Ben, all of whom were with him throughout his illness, with the exception of Mr. Jake Newman, who is en route from California. A brother, Abe Newman, resides in San Bernardino, Cal., but on account of his age, will be unable to reach Ardmore for the funeral.

#### BORAH READS DANIELS' DENIAL OF LYING STORY

Washington, Oct. 3.—A letter from Secretary of the Navy Daniels denying he had said that the league of nations would be remembered after the declaration of independence and the constitution of the United States had been forgotten, was read in the senate today by Senator Borah, republican, Idaho. The letter was sent to Senator Borah because of the latter's quotation of the secretary's reported utterance.

### STEEL UNIONIST HEAD DECLARES GARY FAILED TO TELL SENATE TRUTH

Washington, Oct. 3.—Giving a detailed history of union activities in the steel industry, Michael F. High, president of the Iron, Steel and Tin Workers Union, told the senate committee investigating the steel strike today that the United States Steel Corporation, in its effort to "beat the iron in advancing wages," as Judge Gary has claimed, "has hoped behind our organization."

"Information given you, by Judge Gary," said High, "was not first-hand evidence gained from practical knowledge of the industry, but instead consisted of the statements made to him by his employees, foremen and superintendents. It was far and away from being the truth about the industry."

High repeated the charge that the Steel corporation was in the habit of appropriating \$25,000,000 in fight money, and gave names of his informants. The unions, he said, had never sought the "closed shop," but "union shops."

"When the management signs a contract as to wages and working conditions, it is a union shop," he explained.

W. Z. Foster, secretary of the general strike committee, whose alleged statement was read in the hearing today, was present to testify after High had concluded. Armed with copies of his book on "Scoundrelism," members of the committee were ready for sharp cross-examination of Mr. Foster.

#### 1,500 GARY STRIKERS RETURN TO THEIR JOBS

Gary, Ind., Oct. 3.—Alarmed at the defection of 1,500 men from their ranks yesterday, strike leaders today exerted every influence at their command to keep their lines intact. A series of meetings were held at which addresses were delivered by labor leaders and the picket lines were strengthened.

As a result of this activity apparently to more than 200 strikers returned to work today at the Indiana Steel Company plant where units in nearly every department were in operation.

Bethlehem, Pa., Oct. 3.—Little change was noticeable in the strike situation at the Bethlehem Steel Company's plant today. Both sides again issued conflicting statements, the company declaring the strike virtually over, while union leaders claimed at least 85 per cent of the men are out and that their ranks are being augmented daily.

Chicago, Oct. 3.—Officials of steel mills in the Chicago district pointed to reports of increasing numbers of workmen resuming their tasks during the past week and indications by many other workers of their intention to return to work as upholding their prediction that production today would amount to fifty per cent of normal. Labor leaders maintained their statements, however, that appreciable inroads into the ranks of the strikers were not being made.

An official of the United States Steel Corporation's Gary, Ind., plant asserted 5,000 men of the 9,000 on the pay roll when the strike was called were at work yesterday.
